DeWitt's Whooping Cough Salve

For Cough, Croup, Sore.

M. Somers and the Harris Bros.

of Sand Lake have adopted a new method of harvesting their cranberry crop, which, if successful, will do away with the laborious method of hand picking and also place the berry on the market ahead of the eastern grown berry.

They first flood the marsh to a depth of 6 or 12 inches and then rake the berries loose with long rakes; they then rise to the surface; then the marsh is entirely cleaned, the water is allowed to run off slowly through a screen at the lower end of the marsh, then the berries are collected and later cleaned and boxed. This method enables them to place their product on the market for nearly 75c per bushel less than before and also prove that one person can gather 10 to 20 times more than by hand.—Tillamook Herald.

Many Mothers of a Like Opinion
Mrs. Palmer, of Cordova, Iowa, says: "One of my children was subject to a crop of a severe type, and the giving of Chamberlain's Cough Remedy promptly, always brought relief. Many mothers in this neighborhood think the same as I do about this remedy and want no other kind for their children." For sale by Wilson Drug Company.

Saves Two From Death.
"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y. "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well. Chamberlain's Cough Remedy.
No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. G. M. McKinney, general immigration agent of the Harriman lines in the Northwest and Texas, with headquarters in Chicago, was in Portland this week. McKinney stated that 22,000 settlers came into the Northwest during the spring and summer over the Harriman lines, and that a very large number will come this fall. In summing up the work for the past year he said: "Through the efforts of the immigration bureau the population of Oregon has been increased by 44,000 during the past year, and I estimate that the coming year will see an increase of 50,000."

Last Thursday a hardware man came into Sheridan with an automobile and when on the Turner hill east of town he met two or three teams with ladies in the rigs. Mrs. Lebold and another lady were driving a horse to a buggy. The horse became frightened and the ladies jumped out, Mrs. Lebold being pretty well scratched up but not severely hurt.—Sheridan Sun.

Better Than Pills.
The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by Wilson Drug Company.

The New Issue in Temperance.

"WHISKY MEDICINES."
THE VOICE,
The Leading Temperance Paper, Sounds the Call to a New Crusade in the Following Article.

"ANOTHER HEAD ON THE HYDRA."
It is time attention was drawn to a form of alcoholic traffic that seems to have been overlooked by those engaged in the crusade against the rum power. If, as is believed and taught, alcohol is most dangerous when it fights in ambush, it is most to be dreaded when it finds its first entrance to the system in the pleasant sauces and dishes of the home, then the form of alcoholic traffic in question is doubly dangerous, for it comes in the guise of medicine and attacks a system prepared by weakness to easily surrender to the assault. In many

PATENT MEDICINES
which are largely consumed throughout the country, by all classes of people, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the smallness of the dose prescribed which prevents a prompt recognition of the intoxicating effects of these so-called medicines by those who use them.

It is safe to affirm that they are their chief value lies in their alcoholic effect as a stimulant. In fact, those who know, attribute the benefits ascribed to this class of medicines wholly to the stimulative effect of the alcohol they contain. They are used largely by persons in the habit of drinking liquors, and the little dose taken three or four times a day is as stimulating to these people as their regular "finger" of "biters" is to the regular liquor-drinker.

WHAT CAN BE DONE?
"What ought to be done at least is to compel every patent-medicine manufacturer to put on the wrapper of his bottle the quantity of alcohol it contains. That would at least leave people to exercise their own judgments. More than that, no paper truly devoted to the cause of temperance should print the advertisement of any alcoholic medicine. It should be the duty of every temperance organization and branch in the country to look into this question, agitate it, and deal with the facts just as earnestly and as honestly as other facts have been dealt with."

Appreciating the gravity of the issue raised by the strong statement of fact made in the foregoing article, we wish to call general attention to the fact that Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription contain

NO ALCOHOL, NO WHISKY, NO INTOXICANT OF ANY KIND.

These medicines are equally free from opium and other narcotics.

They are in the strictest meaning of the words, temperance medicines. Of no other medicine, put up especially for woman's use can it be truthfully affirmed, as of Dr. Pierce's Favorite Prescription, that it contains neither alcohol nor opium or other narcotic in any form.

While the negative features of Doctor Pierce's medicines may only interest some of the readers of this article, the positive features of these medicines must be of interest to every one. The great value of "Golden Medical Discovery" in the cure of diseased or deranged conditions of the foregoing organs, and of nutritive organs is testified to by tens of thousands who have found health and healing in this great remedy. The "Discovery" increases the action of the blood-making glands, and by curing the diseases which corrupt and cripple the stomach and digestive and nutritive organs, it enables a full and pure supply of blood to be sent to every part of the body.

WOMEN KNOW ITS WORTH.

Women who are always appreciative of benefits, have been especially appreciative of the benefits following the use of Dr. Pierce's Favorite Prescription. Its wonderful cures of irregularities, inflammations, ulcerations and female troubles, have caused women to name it, "that God-send to women." It is entitled to wear the "blue ribbon" of merit as well as the blue ribbon of temperance.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.
Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and Home of Swamp-Root bottles are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

An Astonishing But True Story

"My home is in Sidney, Ohio. I have been nearer death with consumption than any other living person in the world, and I want you to read this, so you can tell others. I took a severe cold and neglected it. I grew worse all the time, and at the end of two years I had run into consumption. I coughed terribly, lost flesh, could not sleep, and became so dreadfully weak that I had to take to bed. In the following eighteen months I gradually reached the last stages of consumption. No less than seven physicians treated me and all gave me up saying I was incurable. I was absolutely helpless. The whole family wore themselves out caring for me. One day mother and sister came to my bedside, and said I had but a day or two more to live. Tears rolled down their cheeks as they sobbed the news. The doctors had declared I was in the last stage, and no human being could save me. I was willing to die, but before going to the cruel grave, I wanted to go and see my dear, beloved town of Sidney once more. They told me such a thing was impossible—that I would surely die before I got back. But I insisted, and to gratify my dying wish, a carriage was fitted up with a bed of pillows, and to this I was carried in a slowly driven around Court House Square. I got home more dead than a live. Through the mercy of Providence, someone brought a trial bottle of medicine said to be a consumption cure. No one imagined for an instant it was worth trying. But as a drowning person grasps at a straw, so I tried this medicine. I was better after taking two doses. Mother got more of the medicine and I took it, improving all the time. I day I am as well as any reader of this paper, and the medicine that cured me was Acker's English Remedy for Consumption. I declare before God and man that every word here printed is true."

This remarkable testimonial, on file in the office of Messrs. W. H. Hooker & Co., New York, proprietors of Dr. Acker's Celebrated English Remedy, is vouched for by them, as well as by prominent druggists of Sidney, Ohio.
